

KINZIE STREET

Meet us here

The floor plan shows a long corridor along Kinzie Street with various booth layouts. Booths are represented by rectangles, some containing exhibitor names and booth numbers. A blue arrow points to booth 7-1029. At the bottom, there are designated areas for 'Sales Office', 'Exhibitor Services', 'Seminar Room A', and 'Seminar Room B'. A diagonal line labeled 'ORLEANS STREET' runs through the lower portion of the plan. A central area contains a stylized graphic of a person walking through a doorway.
